The Earley Show has officially launched! This podcast is sponsored by Answering Legal and during each episode I interview someone influential in the law. We came out of the gate hot with our first episode which featured John Morgan who sat down with us for 90 minutes and we delved into some very deep and personal topics. Make sure to subscribe to The Earley Show so you don't miss any upcoming episodes!

Our leadership team has been working with EOS (Entrepreneurial Operating System) Worldwide which is a consulting service that helps teach and train companies to scale. We are growing by leaps and bounds due to the amazing help our EOS implementer, Bill Duguay, has given us during our journey so far with EOS and we are really excited for the future of this personal injury law firm.

Our fantastic legal assistant Deeya sadly left last month to begin law school. While we were disappointed to lose her, we are also really grateful for all the hard work and dedication she gave to the team during her time at The Earley Law Group. We are truly excited for her because she has a very bright future!

Now that kids are heading back to school, you'll need a quick healthy breakfast for them to grab on their run out the door if they're anything like my kids! These are easy to make ahead and can be heated up in no time! Super delicious too!

Enjoy!

INGREDIENTS:

- 1 (30 ounce) package frozen shredded hash brown potatoes, thawed
- 2-1/2 teaspoons salt
- 1 teaspoon ground black pepper
- 2-1/2 tablespoons olive oil
- 2/3 cup shredded Cheddar cheese
- 12 eggs
- 2 tablespoons water
- 8 slices cooked bacon, crumbled - divided
- 1/4 cup shredded Cheddar cheese, divided

DIRECTIONS:

- 1 Mix hash brown potatoes, salt, black pepper, olive oil, and 2/3 cup shredded Cheddar cheese in a bowl. Divide mixture between prepared muffin cups and use your fingers to shape potato mixture into nests with hollows in the middle.
- 2 Bake in the preheated oven until hash browns are browned on the edges and cheese has melted, 15 to 18 minutes. Remove hash brown nests.
- 3 Reduce oven temperature to 350 degrees. Whisk eggs and water in a bowl until thoroughly combined; season with salt and black pepper. Pour equal amount of egg mixture into each nest; sprinkle with bacon crumbles and 1 teaspoon Cheddar cheese.
- 4 Bake in the oven until eggs are set, 13 to 16 minutes. Let cool in pans and remove by sliding a knife between potato crust and muffin cup. ■

BOOKS I AM READING

The Tender Bar, by J.R. Moehringer. This is a book I identified with on a deep level. It is a memoir about a boy who grew up without a father and the book heavily revolves around alcohol, abandonment, and the ongoing quest for meaning. I highly recommend.

CASES OF INTEREST

Visitor to Boston Injured in Rideshare Vehicle

Our client, who lives out-of-state, was significantly injured while riding as a passenger in a rideshare vehicle. We filed a lawsuit against the driver of the vehicle he was riding in, seeking full and fair compensation to our client for all of the injuries and financial losses he suffered due to the accident.

Woman Attacked by Dog While Visiting Property

Our client was attacked and bitten by a dog immediately upon entering the home she was visiting. The dog immediately grabbed her by the elbow pulling her down onto a nearby chair. From there, the dog continued the attack biting at her hip, and legs. We are pursuing a strict liability claim against the dog owner's homeowners insurance company for all damages our innocent client suffered.

Man Injured on Motorcycle Due to Negligent Driver

Our client was riding his motorcycle when a car smashed into him. He went to the hospital and was diagnosed with numerous injuries and needed to receive additional subsequent medical attention for his injuries. We filed a claim for compensation for our client with the at-fault driver's insurance company. 📄

IDEA OF THE MONTH

The early morning is when the best work gets done. Downtown Boston is very quiet at that time which allows me to focus deeply and think about the next moves for this law firm.

I arrive to my desk at 6:20 am each day, when most sane people are sleeping. You have to consistently do the work that most won't do in order to build something truly special in life.
